# WE HOPE YOU ENJOY OUR NEW MENU!

We've tried to include something for everyone; Quality breakfasts, Traditional café staples, Vegetarian/Vegan alternatives, NCGI alternatives, a children's menu, a dog menu and our ever-popular Sunday carvery!

## ***We're still working hard to keep our prices as low as possible.***

We've recently proudly run our 'We're all in this together' campaign! Although all incoming prices relating to stock and energy were rising, we maintained our already value-for-money prices and kept increases to our friends and customers to an absolute minimum. We're confident that we remain one of the best value-for-money cafés in our genre and intend to continue to grow our business using this same ethos.

## ***Please help us to continue to offer great quality at the best possible price.***

The vast majority of our customers are very respectful and appreciate that most of our menu items range from six quid to less than a tenner. Unfortunately, there has been a recent increase in people sharing meals and even teacakes, at the same time as ordering tap water as their sole drink. To ensure we can maintain our current standards and continue to offer great quality food and service at the best possible prices we've made a few changes to this menu for the benefit of the majority of our customers.

## ***We're keen to continually develop and always listen to customer feedback.***

We have now introduced a Baked Potato menu, a Salad menu and a Light Bite section to our menu for those with a smaller appetite. We feel this offers a fair compromise between plate sharing whilst still showing some empathy with those who can't always manage our generous portions! We have also introduced a formal children's menu; these meals are for primary school children and under only. Don't forget we also offer a smaller plate for adults and a child's plate for our popular carvery each Sunday too!

## ***We've added an extra jug of hot water to every pot of tea***

We've now added *one* stainless-steel pot of hot water with every order of tea which means you'll be able to enjoy approximately 3 cups per serve now.

## ***Our policy re tap water***

We are required by law to provide tap water but now ask that if you intend to order this as your sole drink in the café, that you help yourself from the dispenser provided. Please note we do sell bottled water at a very reasonable price – only £1.45 per bottle for either still or sparkling. Should you require a glass of iced tap water in addition to another drink then we will add this onto your order and serve it to your table.

## ***We have sourced lots of NCGI products for our customers with gluten intolerances***

Please note that NCGI (non-gluten containing ingredients) isn't the same as gluten-free. All food is handled in a common kitchen so we cannot categorically state that any food is entirely gluten-free though we make every effort to avoid cross-contamination when handling NCGI products!

## ***Many of our menu items now have vegetarian, vegan and NCGI alternatives***

We have spent a lot of time trying to provide as many alternatives as possible on our menu. Please look for items marked NCGI (non-gluten containing ingredients) and Vegetarian or Vegan; we're confident you won't come across many menus with as much choice! It's our goal that the whole family can eat together, whatever their dietary requirements!

## ***Thank you to all our friends and valued customers!***

We love the community at Croft Park Café and genuinely thank you for your continued support! We love seeing our regulars and making new ones along the way; we'll never lose sight of the fact that we're nothing without you!

# LET US INTRODUCE YOU TO OUR SUPPLIERS!

We've aim to trade locally wherever we can, keeping as much money in the local economy as possible!

## ***Our local butcher, Gary Alden is a top bloke supplying a top product.***

As a staunch Hull K.R. fan Gary's only failing is his rugby league allegiance! We've made an allowance for this oversight as we think his meat is the finest in the land! Some of the delicious products Gary supplies us with include Sausages, Burgers, Beef, his famous cooked Ham and of course, the joints for our carvery each Sunday. All from his Hessle-based butchers only 8.1 miles away from our café.

## ***Our main food supplier is a family-run company based in Hull.***

We have dealt with Turner Price since the first day we traded and have built a strong working relationship with our lovely rep, Becci. We rely on Turner Price for dried goods, fresh salad and vegetables, frozen food and cleaning supplies. As the food industry continues to evolve, Turner Price is always at the top of their game and enable us to source an exceptionally varied product range which they deliver in multi-temperature-controlled vehicles from only 10.6 miles away from the café.

## ***What's a café without its coffee?***

We changed our coffee supply around a year ago and have never looked back! River City Coffee in Hull is owned by one of the nicest chaps you could meet (and Gary Barlow lookalike) and supplies coffee to discerning cafes throughout Yorkshire. Matt has been able to create a roast specifically for Croft Park which closely mimicked our previous blend which he delivers in environmentally friendly packaging from his roastery, only 13 miles away.

## ***Let's not forget the beer!***

A relatively new supplier to the business is our brewery, HB Clark. It's a joy to work with our local rep Sue who is also a big music fan so a kindred spirit to the Croft Park posse! HB Clark is a company established more than 100 years ago in Yorkshire which supplies us from their Hull premises less than 10-miles away. We're committed to keeping our ale miles down as well as our food miles! We rely on HB Clark for all of our wine, draught and bottled beers, spirits and most of our soft drinks!

## ***The newest Croft Park supplier...***

We recently discovered Luke's Bakery by complete accident, but what an accident it was! Luke bakes artisan bread using only three ingredients: flour, water and salt; just how real bread should be made. Each loaf is shaped by hand and baked in the small hours so we can enjoy this fine quality bread under our scrambled eggs or as a sandwich. This is a wonderfully traditional product and, as a person who has eaten more than his fair share of bread Paul can confidently declare that this is the best sourdough he's ever tasted, by some distance! Speaking of distance: Luke's bakery is only 5.7 miles away from our café!

## ***The outlier***

We have one supplier who breaks our philosophy of trading local, but their quality product range and impeccable service levels have persuaded us to continue to use them as our main cake supplier. Clam's Cakes are a family based business in Wales who make and decorate every cake by hand. All cakes are baked using British sugar and free-range eggs amongst other quality products. But most importantly, they're so cheerful that calling our order in is like speaking to an excitable Ruth Maddox!

## ***Start right, end right!***

By carefully selecting reliable suppliers who stock what we believe are some of the best products available we ensure we deliver the best quality food and drink to you, our valued customers!

# CARVERY

*(Vegetarian & Vegan available – please enquire when booking)*

Possibly our favourite meal of the week, it's positively made for spending time with family and friends! Every week we roast at least three different meats from our butcher Gary and serve them alongside our homemade Yorkshire Puddings, Roast and Mashed Potatoes, an array of vegetables and lashings of Gravy. Sunday at its best!

To cater for all appetites, we offer four different sizes of our popular roast:

Standard - £11.95

Extra Large - £13.95

Light - £8.95

Children's (Primary school aged children and under) - £4.95

Remember to squeeze in one of our hot puddings to finish your meal!

## OUR DOG CHARTER

### - ***Let our family look after yours!***

We want everyone to enjoy their visit to Croft Park Café, it's our privilege to make sure everyone feels welcome and is part of our friendly atmosphere. We have developed multiple menu choices for meat eaters, vegetarians, vegans & gluten-free diners alongside offering a range of quality options for dogs to enjoy!

### - ***Dogs are part of the family too!***

All dogs arriving at Croft Park will be treated like VIPs, a position we're sure they're used to occupying within your family. They will receive a bowl of fresh water, a few treats and a blanket to lay on for the duration of your stay with our compliments. They'll also have their own menu to choose from should you wish to treat them to a meal whilst you dine.

### - ***We want all our guests to enjoy their visit today!***

We would ask in return that dog owners appreciate that not every one of our lovely customers are dog-lovers, though. Similarly, there are certain rules we need to follow to not only ensure the comfort of all guests, but also maintain our 5\* food hygiene rating! Please check out our dog charter below and help us continue to provide an inclusive, family environment that everyone can enjoy.

### - ***Please do not let your dog sit on our chairs***

Please do not let your dog sit on our chairs or place their heads on the tables. We respectfully add that this includes dogs sitting on knees or blankets/coats that are placed on our furniture.

### - ***Please keep doggy equipment off the tables***

Please keep any doggy equipment (yours or ours) off the tables, whether you're sitting inside the café or at an outdoor table in our sun terrace.

### - ***Please respect other guests if your dog is persistently vocal***

We understand that some dogs may be nervous or anxious around strangers and/or in strange places and we do expect some noise, however, if your dog is persistently vocal – please take them outside until they are calmer. We are happy to facilitate a move to another table if you feel this would be beneficial.

We thank you for your consideration and hope you and your pooch have a great visit today.
