

Waves of Grace Church

January 2025 to May 2025

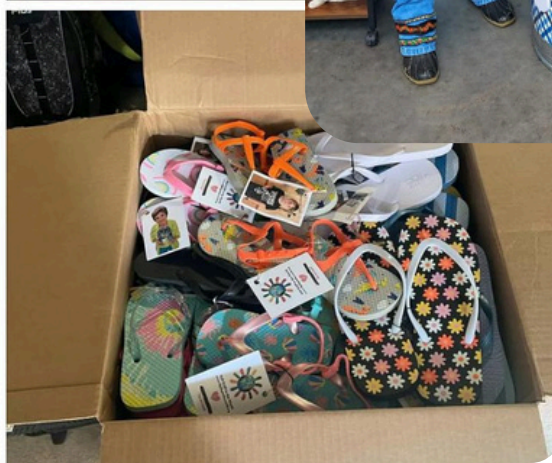

Welcome to our Spring 2025 newsletter. We have experienced another busy and fruitful season at WoG. We are so grateful for those who have prayed, supported and served this little church in Cozumel. Please enjoy as we share what God has been during the first few months of 2025 at WoG. You can always keep up with what God is doing at WoG by checking our website (wavesofgracechurch.com)

In January 2025 we started a new English bible study. We meet at noon on Wednesdays at Casa Mission Restaurant. We have gone through James, Galatians and Ephesians. We always have great discussions and it's been good to see us grow together as a church body.

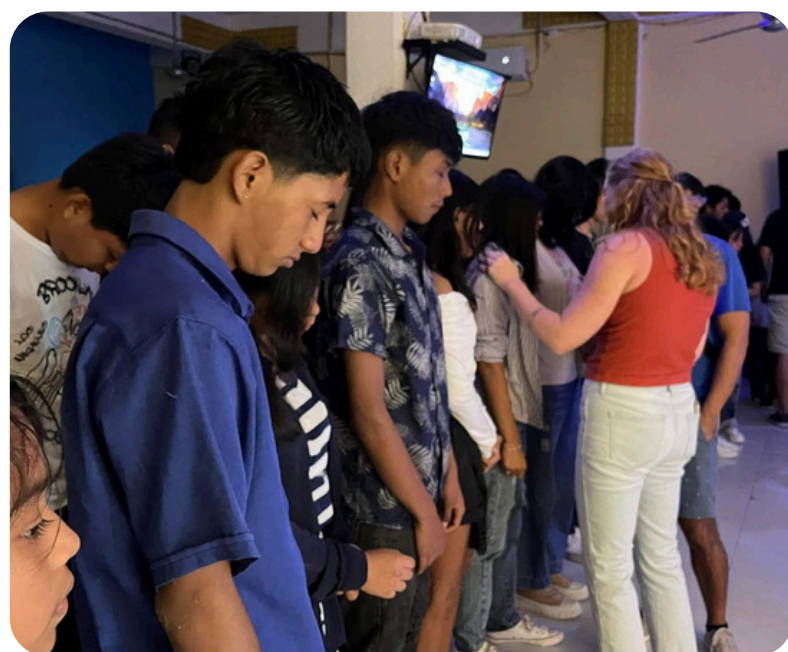

Also in January we have partnered up with an Austin-based ministry called flip flops to the world. They will be coming to Cozumel in the fall to distribute thousands of flip flops as we organize park events to also share the gospel as well as pass out flip flops!

In March we had a group of young adults from Dallas come and help us with our youth. They performed and gave testimonies and we had over 20 professions of faith. They will be returning in July and they are excited to see what God will be doing in everyone's lives

On March 4th, our Team made it back from Texas with our new van! 31 hours on the road and not a single issue. We are so grateful for our ministry partner Evergreen Baptist Church Not only did they give us the van, they filled it up with clothing and supplies for their upcoming June mission trip to WoG. We also brought back over 400 bibles and dropped off supplies to our new church plant in Victoria MX.

Our new van is already making a huge difference in our ability to bring people into church and to reach out into the community!

Road Trip 2025!

Easter Sunday was April 20. We celebrated resurrection Sunday with a full house and activities for the kids after church! We had a guest Pastor who did a wonderful job! We saw two people answer the altar call and accept Jesus!

Easter 2025!

The weather was perfect for an egg hunt and other games! The church was filled with love and laughter!

April 27th Is Kids Day in Mexico where the kids are celebrated like parents are. We had a kid's celebration at church!

**We had a
carnival and
each kid got a
gift!**

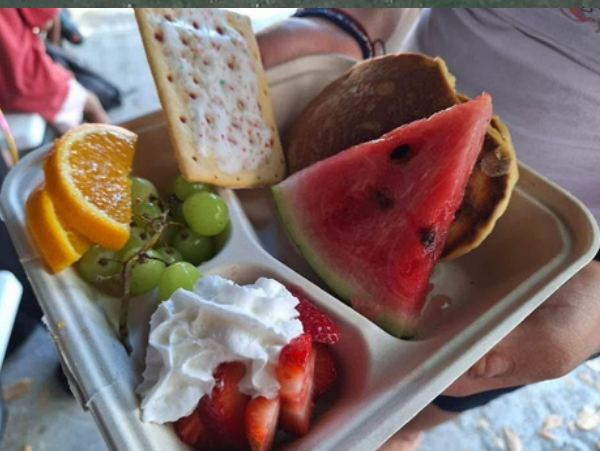

April 20th We celebrated Easter at our new church plant in Victoria Mexico

We started a new outreach ministry this year by going to the local hospitals every other Saturday night to pass out coffee and snacks to those visiting sick family members. It also gives us a chance to pray and share Jesus with them.

In May we had a Friday night lock in with our middle school kids. Raising up the next generation in the Lord at Waves of Grace Church. Thank you for all the volunteers who gave up a night's sleep to minister to these young believers!

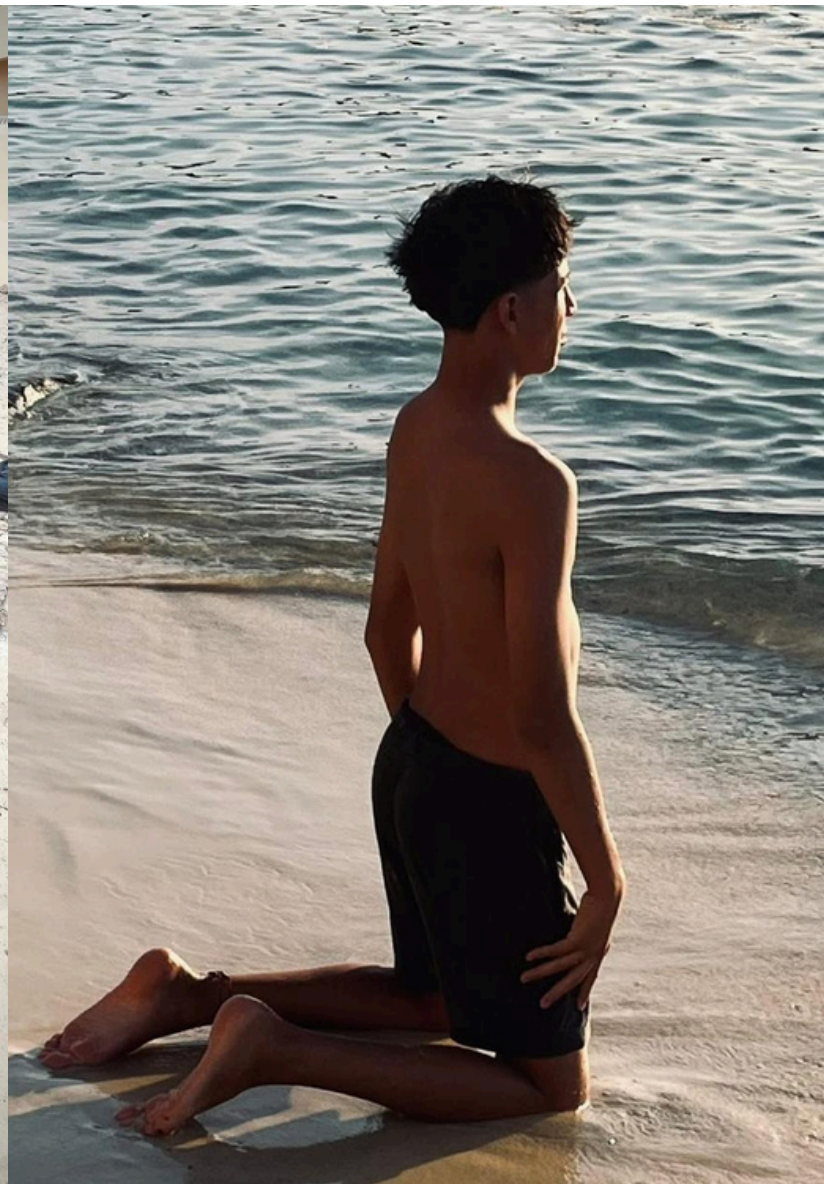

Lock-In 2025!

Also in May we got a roof for the church plant in Victoria MX and they had their first baptism in the river since they have no ocean. We welcomed four new believers!

We are still investing in the future with our youth. They have a service or an outdoor fellowship every Saturday at 5 pm. We love what God is doing in their lives!

Ongoing prayer requests
