■ Marysville Country Club

MEMBERSHIP

Golf + Beverages + Dining + Pool

Full members have unlimited access to the golf course, clubhouse and pool.

Social members have unlimited access to the clubhouse and pool.

Social members can upgrade to full memberships at any time if they find the desire to golf more.

All guests need to sign in. If golfing, guests must pay green fees.

These rules are to protect our members who pay yearly memberships to belong to the club.

We highly encourage all members to encourage their guests, especially those who live local, to become members of our club.

MEMBERSHIP

Member Information

Yearly Dues:

Yearly dues are billed out every year in March. You can pay in full within 30 days or you can pay in 5 month increments for a full member, 3 month increments for a social member, or 2 month increments for a senior social member. The system will break down your membership into monthly payments that will be billed out on the 1st of every month. Those payments are due within 30 days.

Member Balance:

Every purchase you make in the clubhouse can be paid at that time or you can apply that purchase to your member balance. On the 1st of every month that balance is billed out. You have 30 days to pay that balance.

Auto Pay:

Each account can be setup auto pay at any time. Each month your entire balance in full will be deducted from whichever account or card you choose to leave on file. If using a card there will be a service fee.

MEMBERSHIP

Member Information

Explanation of Fees

Food & Beverage Minimums:

Full Member \$35/month
Social Members \$45/month
Senior Social \$22.50/month

Food and Beverage minimums are billed to your account on the 1st of the month. As you make purchase towards food and beverages in the clubhouse those purchases automatically start to deduct from the monthly minimum. The system automatically deducts each purchase. Once you hit your minimum for the month in purchases, the fee will be gone. If you do not meet your minimum the fee or a portion of the fee will stay on your bill.

This was created to encourage members to come out to their club and support the clubhouse. In order for our clubhouse to thrive, food and beverage sales have to be consistently purchased.

MEMBERSHIP

Member Information

Explanation of Fees

Monthly Assessment Fees:

Full Members \$20/month
Social Members \$10/month

Monthly assessment fees are billed to your account on the 1st of the month. You can pay this fee in full at the beginning of the year, or you can pay it monthly.

This was created in order to avoid raising membership fees. It was decided by the board of directors to implement a monthly assessment fee to help the club continue to thrive.

AVOID SLOW PLAY

As a player, you also have a responsibility to learn and understand the Rules of Golf.

If you are not very familiar with the game of golf, it will be very beneficial for you to read through the rules.

Players who have been playing for years know the rules and most of them play as often as they can. If you are unfamiliar with the rules, it can cause unnecessary grief for you and other players if you do not follow proper golf etiquette.

Save yourself from a potential uncomfortable moment on the course by taking a minute to read the rules!

- Walk at a reasonable speed between shots.
- Begin planning your next shot as you approach the ball by studying the strength and direction of the wind.
- When you reach your ball, check the lie, select your club, visualize your swing and shot, and then play your shot.
- From the time you select your club until you actually hit your shot, you should take no more than 30 to 45 seconds.
- If you aren't ready to play when it is your turn, encourage one of your fellow players to play.

MAINTAINING THE COURSE

- Replace your divots.
- Turf tends to explode on impact, making it difficult, if not impossible, to replace the divot. In this case, you have two options:
 - - You can use the toe of your shoe to kick in the turf around the edges of the divot.
 - - Many courses often put containers of a soil/seed mixture on their carts and tees. If this is the case, simply fill in the divot with the mixture.
- Bring a rake into the bunker with you -- remembering that you should always enter the bunker from the low side at a point nearest to the ball.
- Whenever possible, avoid walking on the steep face of a bunker.
- After hitting your shot, rake the area you played from, as well as all your footprints and any others within reach.
- Rakes should be left either in or near the bunker.
- Important to repair any pitch marks or indentations caused by the ball hitting the green.
- Using a tee, knife, key or repair tool, repair the mark by working the edges towards the center, without lifting the center of the mark. Don't tear the grass. Finish by smoothing the area with a club or your foot. Try to get the area smooth enough to putt over.

■ Marysville Country Club

ON THE GREEN

- Don't step on your fellow players putting lines -- the imaginary line that connects the ball to the hole.
- If your ball is on a player's line, volunteer to mark the ball.
- If your ball is not furthest from the cup: mark your ball, either with a plastic marker or a small, thin, dark coin such as an old penny.
- Move the marker from the heel to the toe of your putter. Reverse the procedure to return the ball to its original position.
- Do not stand where you might distract a fellow player and don't move.
- Don't make any noise when your fellow player is preparing to putt.
- Hold the flagstick at arm's length so the flag doesn't flutter in the breeze, and make sure your shadow doesn't fall across the hole or line. Loosen the bottom of the flagstick so it doesn't stick when you try and remove it by pulling it straight up after the other player has putted. The flagstick should be removed right after the player has hit the ball.
- If you lay down the flagstick, lay it off the green to prevent doing any damage to the green.
- Generally, the player closest to the hole will tend the flagstick.

■ Marysville Country Club
MISCELLANEOUS

- If you hit a tee shot into the woods and suspect that it might be either lost or out-of-bounds, the Rules of Golf allow you to play a second or provisional ball.
- You then have three minutes from the time you reach the spot where you suspect the ball landed to find the ball. If it is not found within that three-minute period, you must declare it lost and play your provisional ball with a one-stroke penalty
- If, however, you play the provisional ball and subsequently find your original ball in-bounds, you must pick up your provisional and continue to play the original ball, in-bounds.
- Out of bounds balls are assessed the penalty of "stroke and distance."
- For safety's sake, never hit when there's a chance you might be able to reach the group ahead of you, and anytime you hit a shot that you think even has remote chance of hitting any other players, yell "Fore" immediately, and make a point of apologizing to any players your ball lands nearby.
- Displays of frustration are one thing, but outbursts of temper are quite another. Yelling, screaming, throwing clubs or otherwise making a fool of yourself are unacceptable and, in some cases, dangerous to yourself and others.
