BACKGROUND

- Began my plumbing career before graduating high school under the guidance of my Uncle's Plumbing Company (Modugno Plumbing).
- Continued my profession in the industry after graduating High School.
- Became well rounded in ALL aspects of the trade including residential, commercial, and industrial.
- Eared Multiple Job Titles throughout the years and have been identified as the following: "Plumber's Helper", "Mechanic", "Journeyman Plumber", "Superintendent", "Field Supervisor", and "Master Plumber".
- Started 1st business (Ferrara Plumbing Inc.) in 2003 which entailed service and remodels.
- Started 2nd business in partnership with Joe Cole Plumbing Inc. in 2007. This company had a roster exceeding fifty employees. My job description & responsibilities entailed: Organizing, evaluating, planning, and following up on a variety of jobs in an aggressive and strategized market. Furthermore, my role with Joe Cole Plumbing involved completing multiple projects including residential additions, multi-unit high rises, warehouses, schools, hospitals, custom homes, leak detection, gas installations, super-market remodels, and restaurants.
- Sold Joe Cole Plumbing June of 2022 to start V Ferrara Consulting LLC
