Wickliffe Public Schools Plan for American Rescue Plan (ARP) Elementary and Secondary School Emergency Relief (ESSER) Fund ARP—ESSER III Use of Funds Plan

Wickliffe Public School, through meaningful consultation with stakeholders by in-person collaboration has developed a plan for the use of allocated ARP- ESSER III funds \$205,308.15. The following plan is the result from data gathered during this collaboration. More ideas will be put in place as extended collaboration is held with stakeholders of Wickliffe Public School.

Wickliffe Public School will use ESSER III funds to implement prevention and mitigation strategies that are, to the greatest extent practicable, consistent with CDC guidance on reopening schools to safely maintain an open school and conduct in-person learning.

Wickliffe Public School will use our local and state health agencies as resources when making the best purchase decisions from ESSER III monies to help prevent school shutdown due to pandemic circumstances.

Wickliffe Public School plans to update some of our facilities to help with cleanliness efforts with our ESSER funds. We also plan to put in place security and technology to use in classrooms to facilitate safer indoor and outdoor classroom options. Wickliffe Public School will ensure that the interventions it implements, including but not limited to those implemented under section 2001(e)(1) will respond to the academic, social, emotional and mental health needs of students, and particularly those students disproportionately impacted by COVID-19, including students from low income families, students of color, and English learners, children with disabilities, students experiencing homelessness, children in foster care and migratory students.

Wickliffe Public School will provide transportation services for summer enrichment programs to meet the diverse needs of specialized groups, if necessary. Wickliffe Public School will reserve a minimum of 20% of our ESSER III funds to address the academic impact of lost instructional time.

Wickliffe Public School has met with students, parents, teachers, and community stakeholders for ideas on how to best spend our funds to close the instructional gap of our students. Stakeholder priorities from our collaboration to use a minimum of \$41,061.63 to include personnel to provide intervention services during school, afterschool tutoring, a Summer Academic camp, updating technology and textbooks. offer after-school and a Summer Academy using evidence-based interventions taught by certified teachers and instructional staff. The Summer Academy will possibly include, but is not limited to a STEM camp and tutoring in the core academic areas.

Wickliffe Public School also plans to monitor and adjust ideas to meet student learning loss based on student performance needs. Priorities and ideas will continue to grow and develop during the use of our ESSER III funds availability.

Wickliffe Public School will spend the remaining ARP ESSER III funds consistent with the uses authorized in section 2001(e)(2) of the ARP Act. With reserving the minimum of 20% for academic loss, the remaining budget is \$164,246.52. Wickliffe Public School will adhere to the expenditure guidelines put forth by the State Department of Education.

Expenditure ideas include, but are not limited to, the following:

- Attendance Services
- Operation of Buildings HVAC and/or air quality
- Operation of Buildings Maintenance
- Operation of Buildings Safety and Security
- Care and Maintenance of Grounds
- Care and Maintenance of Equipment
