

2021-  
2022

# Wickliffe COVID Education Format

Our goal for the 2021-2022 year is to provide a traditional learning format with flexible learning pathways for families who may be impacted by health concerns either due to an individual with a weakened immune system or short period where family members are experiencing COVID-19 symptoms.

# Traditional School

- In-person learning
- Teacher led instruction
- Traditional classroom setting
- Social interactions with peers
- Blended learning through online opportunities .
- Participation in school sponsored activities/program
- Technology provided
- Prepared to transition to Blended Learning Models if necessary.

# Blended Learning

- Move from a traditional to blended distance learning format during district closures due to COVID-19 outbreaks
- School will reopen after district protocols have been taken
- Provides flexibility for families/school choosing to return comfortably
- Can be in and out of blended distance learning due to illness or exposure to COVID-19
- New Instruction continues
- Regular attendance and grading polices continue.
- Blended learning through online opportunities .
- Technology provided
- Parent can NOT move students in and out of Blended Model for personal scheduling or unrelated health.
- Child Nutrition meals available.

ADD A FOOTER

# Virtual Learners

- Complete online program by quarters separate from the regular classroom
- Technology provided
- Sign-in/check-in daily at assigned time with faculty
- Available to students who need or wish to be totally online due to COVID-19
- May include students who are in high-risk categories or have close family members in high-risk
- No school sponsored activities or programs
- Regular district grading, attendance and policies will be followed
- Traditional calendar observed
- Child Nutrition meals available
- Students must maintain certain attendance and GPA requirements to participate in Virtual Only
- Transfer students are not eligible for Virtual ONLY program
- Parents wanting their student(s) to be virtual learning students, must contact the school
- Please call for an Appointment.
