The certificate of registration and correct fee must accompany this form. Both the Lessor and Lessee must be current financial members of THE Pinto Horse Association of NSW Inc. Under no circumstances will the Association enter into any dispute between the Lessor and Lessee. The aim of this lease form is to advise the Association's registry that a lease of a horse has occurred, so that the Registrar can keep a record of the lease details and be advised who will be able to register foals born as a consequence of the lease arrangements. The registry is also made aware of who is to submit service certificates and stud returns.

If the lease is terminated before the quoted expiry date, then the Association requires that both Lessor and Lessee advise the Association in writing. It will not be sufficient for just one party to advise the Association.

Renewal of Lease: If the parties continue the lease beyond the specified expiry date. The Association will record the new expiry date without fee being required providing that:- A fully completed additional lease form clearly marked "RENEWAL" is lodged and received by the Association not less than ten (10) days before the specified expiry date. If the lease is renewed and the Association has not received a renewal lease ten (10) days prior to the expiry date, then any subsequent renewal will be treated as a new lease and full fee's will be payable on lodgement. Lease Fee's are the responsibility of the Lessee and both parties must be financial members of the Association to maintain the horse's registration. Please make sure both parties have a copy of the above conditions.

If the horse is or going to be in joint names both parties must sign.
