

RUPEDL S-7531 BLUE

SAE 5W-30

TYPE Truck Engine Oil

■ Description

Rupedl S-7531 BLUE SAE 5W-30 is a fully synthetic engine oil, developed for highly loaded diesel engines with turbochargers which are operated under hard conditions, which comply with the standards Euro 3, 4, 5 and Euro 6 and which are equipped with diesel particle filters (DPF), three-way catalytic converters (SCR) as well as special afterburning systems (EGR). Recommended for use in European, American and Japanese diesel engines of the latest generation which run on low-sulphur fuel. Has high detergent and dispersive properties providing perfect cleanliness of the engine components and minimal wear out of the cylinder walls. Provides efficient engine operation. The low SAPS additive package with its low content of sulphur, sulphur ash and phosphorus protects systems for reducing exhaust toxicity and prolongs their service life.

■ Specifications/Recommendations

ACEA E6/E7
MAN M 3677
MB Approval 228.51
SCANIA Low Ash

■ Typical Properties

Characteristics	Method	Unit	Value
Density at 20°C	DIN 51 757	kg/m ³	850
Viscosity at 40°C	DIN 51 562	mm ² /s	60
Pourpoint	DIN ISO 3016	°C	-40
Flashpoint	DIN ISO 2592	°C	210
