

Important Update: New Deposit Policy for All Orders

Dear Valued Customers,

We're writing to let you know about an update to our ordering process that will help us continue providing you with the best possible service and efficient project turnaround.

Effective immediately, all new orders will require a minimum 50% deposit before production begins. This deposit secures your order and allows us to promptly allocate resources, order materials, and schedule your project.

We understand that every business operates differently, and we value the relationships we've built. If you have a pre-existing agreement or specific terms in place with Right Hand Print, those arrangements will, of course, remain active. This new policy primarily applies to new orders and customers without established payment terms.

This change helps us streamline our operations and maintain our commitment to quality and timely delivery for everyone.

If you have any questions or would like to discuss this further, please don't hesitate to reach out to us at (734) 922-2013 or thomas@righthandprint.com

Thank you for your continued business and understanding.

Sincerely,

The Team at Right Hand Print
