Dear Parent/Guardian,

Slater Family Network, in collaboration with community partners, continues to offer the Backpack Buddies Program for students. This program is for families who are food insecure, meaning despite utilizing the local food banks and other subsidies, your student is hungry during the summer months. The packs will hold canned proteins, canned vegetables and fruit, snack bars and juice boxes. **Allergies and medical issues cannot be considered due to the current pandemic changes to pick up process. It is up to the parent/guardian to check the food.**

During the summer months of July and August, the backpacks will be distributed on Thursdays from 12 to 2 pm at the SFN Food Pantry. There is no cost to the family.

If you have any questions, please call the SFN office at 610-599-7019 or send an email to RubelGa@bangorsd.org. If you would like your student to participate, please fill out the registration form, sign and return via email ASAP.

You will receive a letter, phone call or email to verify start date.

Sincerely,

Patti Damour
