Dear Potential Sponsor,

Community schools provide services and support that fit the needs of each individual neighborhood's needs. Northampton Community College supports Bangor Area School District in providing community support and resources to accelerate student success. A community school accurately identifies the needs and hopes of the school community and then triages those needs, together with community partners.

The Bangor Area School District is hosting a car show on September 23, 2023. The community car show will bring together the community and student body. All the money raised will benefit students attending the Bangor Area School District to provide student and family engagement activities and support college and career exploration such as field trips, tours, assemblies. Through this community car show fundraiser, we hope to offer a family friendly event that will bring together the community.

For this event to be as successful as we hope it to be, we need your partnership. With your help, we hope to have a family friendly exhibit such as Optimus Prime Replica Truck that teaches bullying awareness. In addition, we want to have family-fun activities such as face painting, inflatables, spin art, caricaturist, etc. that you can sponsor by providing a monetary donation. We are also in need of product donations for raffles and a silent auction. As a sponsor, your company will receive recognition for your contribution through sponsor shout outs in writing and online.

Your company may prefer to donate products, gift baskets, or gift certificates for our tricky tray at the event. Another way to donate is to donate items for our volunteers. We are collecting donations of water bottles, snacks and fruit for our student and faculty volunteers. We appreciate all donations.

We ask you to **respond by August 31, 2023** to ensure your business name and/or logo is printed in our sponsor packet. Logos will need to be emailed to the email below.

To become a sponsor: Fill out the bottom portion and either mail your donation to the address below or you can call/email and arrange for pick up. Thank you so much for considering sponsoring our event! If you have any questions, please feel free to contact me.

Best regards,

Amanda Starner
