References

List name and telephone number of two people, not in your household, who can verify your ability to take good care of a rescued Bulldog.

Additional Comments: _____

I understand that dogs placed have been acquired, fed and cared for; have received necessary medical care and vaccinations; and have been tested to be free of heartworms and contagious disease at the expense of volunteers, who receive financial reimbursement for expenses only through donations. I understand adoption fees will be paid to Southern Oregon Bulldog Rescue to help with the spaying/neutering and veterinary care of current and/or future rescued Bulldogs.

The specific adoption amount is determined based on the individual dog's age, health, and rehabilitation requirements.

I have answered all the above questions truthfully to the best of my knowledge. Southern Oregon Bulldog Rescue volunteers are available to answer any questions regarding Adoption Application and Adoption Process.

I hereby apply to have my name added to an appropriate waiting list to be considered for giving a rescued Bulldog a permanent or foster home. I understand that my application may not be acknowledged unless or until I am being considered to adopt a particular Bulldog and that it may be important for me to be available for an interview by phone or in-person on short notice.
