CLUB HANDBOOK 2024

PEOPLE. PASSION. PERFORMANCE.

Our opening chapter...

J'adore opened in 2014 by Principal Coach, Jacinta Hardy. Jacinta wanted to create a family-friendly Club that created a sense of belonging to everyone involved.

In its first year, J'adore had 38 pupils and only 3 sections. 10 years later J'adore has over 100 pupils! All our sections have celebrated State Title success in our short history.

J'adore welcomes and encourages new members to come along for a free trial class to try Calisthenics. It is a wonderful sport that creates long lasting friendships, but importantly builds confidence, leadership, sportsmanship as well as many performing opportunities throughout the year.

It's important to us that every member, past and present, always feels a connection to J'adore, as each member plays an important part in contributing to our Club culture and Club success.

Our passionate coaching team work hard to create a fun learning environment that has a focus on providing a safe, nurturing environment with passion for brilliance.

We love our sport, and we LOVE our Club!

- Jacinta

Our Mission

We believe that it doesn't matter where or when you start your Calisthenics journey, the love for Calisthenics should always continue to grow.

J'adore Calisthenics aims to create an environment which nurtures, inspires and encourages individuals to explore and share the love for Calisthenics in a safe, friendly and welcoming environment.

Our Values

Our People are what makes us the Club we are and the Culture that we have. We believe our best performance on stage is when our people feel seen and valued as individuals and contribute team success.

Our Passion is the driving factor for our purpose. Our passion to perform, inspire and be the best versions of ourselves, ultimately leading to a united, committed team.

Correct class wear is important as it allows us to safely perform as well as help correct technique.

Hair should always be tied back for classes.

No sewing of costumes is required for our younger sections. J'adore has an extensive costume wardrobe and organise costumes for all pupils.

We welcome and appreciate assistance from parents or grandparents who may be able to help assist with some small alterations to our costumes.

Seniors and Masters will generally have some alterations required for costumes.

Costumes are integral to our team performance and must be stored for competition use only.

J'adore has a competition jacket which is required by all pupils doing competitions.

The Club jacket is worn with black dance pants or plain black pants and any plain black shoes. J'adore polos are also available and are optional (exception for Seniors and Masters).
