Cat of the Month

HAZEL

Hazel may be petite, but she has a huge personality. She is a spunky girl who loves to entertain herself running, climbing, and playing. She can't wait for a kitty obstacle course in her new home! Hazel lived with dogs and cats in her previous home and would likely adjust well to new furry friends.

Hazel came to Animal Outreach with severe skin allergies. After many treatments and food trials, her dermatitis is under control on a daily oral medication. Hazel's adopters will need to be prepared to continue working with their veterinarian for her long-term medical needs. A foster to adopt trial period is also an option for this little cutie. HAZEL is eager and waiting to meet you at our Diamond Springs shelter!

New Shelter Update...

A HUGE Thank You to Ponderosa High School's Interact Club!

What a wonderful way to spend Halloween! We were so fortunate to have the amazing students from Ponderosa High School's Interact Club volunteer their time to help us get our new Animal Outreach shelter cleaned up and ready for our upcoming Open House! These students rolled up their sleeves, worked incredibly hard, and brought such positive energy and enthusiasm! Their willingness to give back to the community truly warmed our hearts. We couldn't have done it without them, and we are beyond grateful for all their hard work and dedication!

Thank you, Ponderosa High School Interact Club, for making such a difference! Our shelter is looking better than ever thanks to them.

Looking Back...

Pinewood Elementary School Trunk or Treat

A huge thank you to Pinewood Elementary for hosting such a fantastic community event. We loved being part of the festivities!
