Cat of the Month

WOBBLES

Meet Wobbles, this darling 8-year-old boy came to us from El Dorado County Animal Services and has been stealing hearts ever since. Wobbles has some neurological quirks in his front legs, likely caused from a past head or spine injury, which gives him the sweetest little wobble when he walks. He doesn't let it stop him though, and we've already seen encouraging improvement as he continues to heal. What Wobbles really wants is someone to love. He adores cozy naps, gentle pets, and staying close to his people, quietly soaking up all the affection he can. He'll need a family willing to keep an eye on his progress with their veterinarian, but in return, you'll gain a deeply special companion with a heart as big as his story.

Big Day of Giving Thursday, May 7th

Your donation helps power everything we do here at Animal Outreach! From funding lifesaving medical care and providing a safe shelter for cats and kittens who need it most, to allowing us to offer vital community service. Big Day of Giving

This year's Big Day of Giving fundraising campaign will be going towards our New Shelter project. Our new facility will more than double the size of our current space, allowing us to expand veterinary services, improve adoption areas, and care for even more animals in need.

Every gift during Big Day of Giving moves this project forward and helps create a future where more animals receive the care, comfort, and second chances they deserve.

New Shelter Update...

We're excited to share that great progress is being made on Animal Outreach's new shelter project!

So much has been happening! The current tenants moved out in April, and interior wall demolition is set to begin this month. We've interviewed general contractors and are moving into the bidding phase next. With Big Day of Giving this Thursday, our fundraising efforts are in full swing!

Some of the next steps are, hire a general contractor, launch room dedication and naming opportunities, host our Paw Brigade Auction Fundraiser (this Saturday, May 9th), and celebrate with a Construction Kickoff Party in June!

We were so excited to hang up a sign declaring our future home!
