FUNDRAISING

Among other responsibilities, board members play a key role in raising funds for our organization. It is an expectation of board service that you will introduce people in your sphere of influence to our work and invite them know and do more – as prospective volunteers, board members, staff and as donors. Our organization commits to providing you with the information and tools necessary for you to stand as a vocal and visible ambassador for our work.

Can you speak to your level of comfort with this expectation?

TIME

Board service is a true commitment of time and energy. We estimate that board service could be a commitment of 2 to 6 hours each month. In addition, we ask for your attendance at special events.

Do you have any concerns or potential conflicts that may serve as impediments to this time commitment? If so, how will you manage the demands on your time?
