**LIGHTS OUT** offers relief for anyone seeking a smoother path to restorative sleep. Use the spray about 30 minutes before bedtime to wake up refreshed and restored.

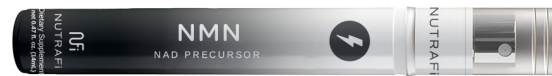

**IMMUNITY+** helps maintain strong, resilient health anytime, anywhere by giving your immune system the daily support it needs to defend against everyday germs that can slow you down.

**NUTRA BOOST (B-12)** delivers a fast, convenient way to support energy production, mental clarity, and overall wellness. This easy-to-use spray helps your body maintain healthy B-12 levels to keep you feeling energized throughout the day.

**D3+K2** are essential nutrients that work together to support bone health, heart health, and proper calcium utilization, helping your body maintain balance and strength every day.

**NMN** supports cellular energy production and healthy aging by helping the body maintain optimal NAD+ levels. This advanced formula promotes vitality, metabolic function, and overall wellness.

**MENOPAUSE** helps soothe hot flashes, night sweats, mood swings and fatigue, promoting balance and well-being. Its natural ingredients work quickly to help you feel more in control.

**B7 (BIOTIN)** is designed to support healthy hair, strong nails, and radiant skin. This essential B-vitamin helps maintain energy metabolism and overall wellness, making it a simple daily addition to your self-care routine.

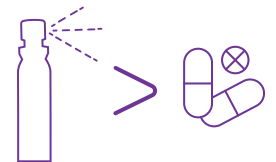

**MOTION MIST** supports nausea and relieves the discomfort of car, air, or sea travel or medication side effects. Travel-friendly sized spray that is fast acting and safe.

**GLP-1 RELIEF** helps soothe queasiness and digestive discomfort commonly experienced while using GLP-1 medications. With gentle, targeted ingredients, it supports a calmer stomach and helps you stay consistent with your daily routine.

**10X MORE  
EFFECTIVE  
THAN PILLS**

## NUTRAFi: SMARTER NUTRITION IN EVERY SPRAY

Our sprays help your body get the vitamins and nutrients it needs to stay strong and healthy.

They are easy to use, you just spray them in your cheek or under your tongue and your body quickly absorbs them.

Unlike tablets, sprays don't need to be swallowed which makes them great for people who don't like taking pills.

They taste good, and you can take them anytime, anywhere. NUTRAFi sprays help support your wellbeing so you can feel your best every day.

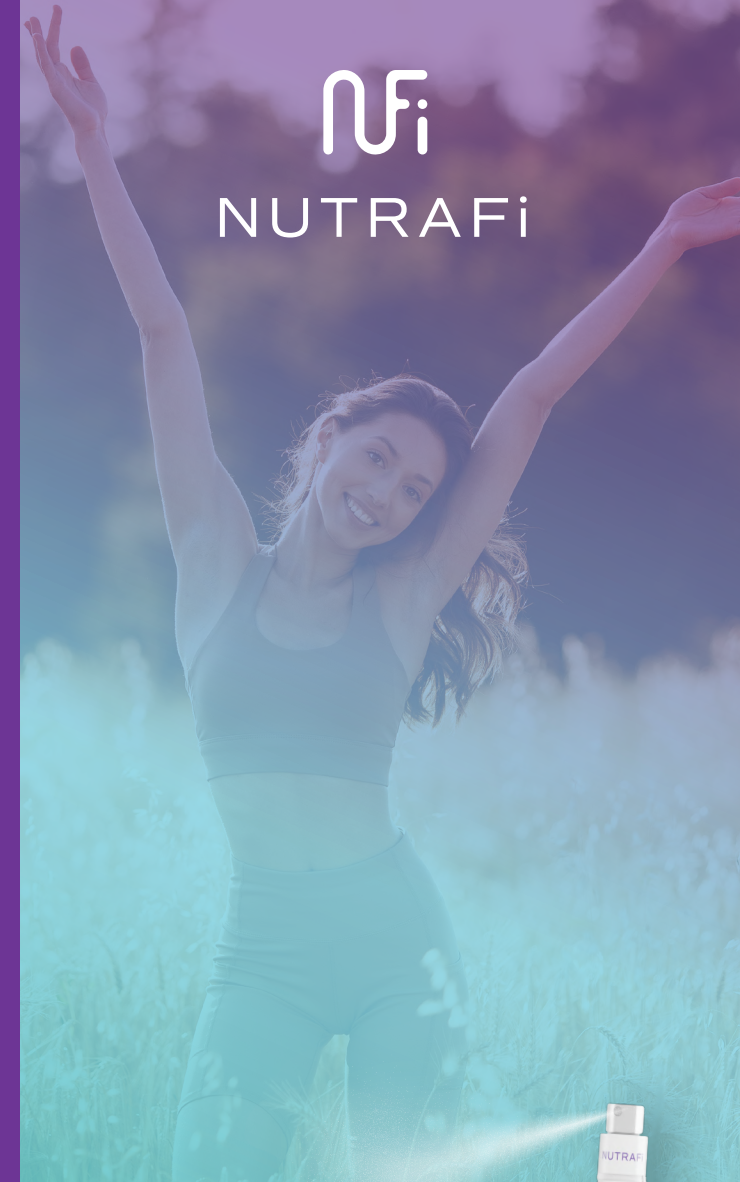

When your body gets the right nutrients, you sleep better, think clearer, and have more energy to play and work.

NUTRAFi makes staying healthy easy and fun for everyone!
