

Do You Know Where You Live? Franklinton Borough, Franklin Township or Dillsburg Borough?

Did you know that the address in which you receive mail is not your legal/physical address? It is a function of the Post Office only.

The address associated with the deed of the property in which you reside is the legal/physical address and it determines where you pay real estate taxes. This is the address we NEED you to report for the 2020 Federal Census.

If you rent or are not sure what address you should report please contact the Borough Office for clarification.

The 2020 Federal Census can be completed online or by paper and you will receive invitations any time now.

The legal Census day is April 1, 2020
