**BOROUGH OF FRANKLINTOWN
YORK COUNTY
RESOLUTION NO. 2011- 8**

**RESOLUTION OF THE BOROUGH OF FRANKLINTOWN, COUNTY OF YORK,
PENNSYLVANIA, REGARDING DELINQUENT LOCAL EARNED INCOME TAX
COLLECTION FOR 2011 AND PRIOR YEARS**

Background. Act 32 § 507, 53 P.S. § 6924.507, requires the York County Tax Collection Committee (“TCC”) to appoint and implement a master contract with a tax collector to collect local earned income tax throughout the York County Tax Collection District (“TCD”). The TCC has appointed the York Adams Tax Bureau to serve as the “Act 32 Tax Collector” throughout the TCD. The Act 32 Tax Collector will collect local earned income tax throughout the TCD beginning with the 2012 tax year.

Act 32 § 515(b)(4), 53 P.S. § 6924.515(b)(4), requires the Act 32 Tax Collector to be responsible for all delinquent local earned income taxes and reports from 2011 and prior years unless a school district or municipality makes other arrangements for the collection of these delinquent taxes and reports on or before June 30, 2012. Act 32 § 515(b)(4) further provides that any school district or municipality that makes such arrangements must notice the Act 32 Tax Collector.

The TCC and the Act 32 Tax Collector agree it will be most efficient for the tax collectors that were appointed to collect 2011 local earned income tax to collect delinquent local earned income tax from 2011 and prior years. The purpose of this Resolution is for the Borough of Franklinton (“Taxing Authority”) to formalize its decision to make arrangements with the tax collector appointed to collect 2011 local earned income tax for the Taxing Authority (the “Article XIII Tax Collector”) to collect the Taxing Authority’s delinquent local earned income tax from 2011 and prior years.

RESOLVED, by the governing body as follows:

1. The Taxing Authority has made or shall make arrangements with the Article XIII Tax Collector for the collection of the Taxing Authority’s delinquent local earned income tax from 2011 and prior years, and neither the TCC nor the Act 32 Tax Collector shall have any responsibility for such taxes.
2. The Taxing Authority officers are directed to provide a copy of this Resolution **on or before June 30, 2012** to the Act 32 Tax Collector at its address of record.
3. The Taxing Authority officers are authorized and directed to take all other actions necessary or appropriate to carry out the purposes of this Resolution.

RESOLUTION
2012-3

A RESOLUTION OF THE BOROUGH OF FRANKLINTOWN, YORK COUNTY, PENNSYLVANIA, URGING THE PENNSYLVANIA GENERAL ASSEMBLY TO MODERNIZE THE STATE PREVAILING WAGE ACT (ACT 442 OF 1961).

WHEREAS, the Pennsylvania Prevailing Wage Act requires that workers on public construction, reconstruction, demolition, alteration, and/or repair projects with an estimated cost greater than \$25,000.00 be paid a wage set by the Secretary of Labor and Industry rather than local market rates; and

WHEREAS, the prevailing wage rates set by the Secretary of Labor and Industry are generally 20 to 40 percent higher than local market labor rates; and

WHEREAS, the high cost and burden of these artificially inflated wages are borne by taxpayers in the form of higher construction costs and higher taxes than would otherwise be necessary; and

WHEREAS, local contractors often choose not to bid on prevailing wage projects due to the administrative and financial overhead required; and

WHEREAS, the Pennsylvania Prevailing Wage Act has not been amended since 1963 to reflect the changes of the past fifty years, including inflation; and

WHEREAS, according to the U.S. Bureau of Labor Statistics' CPI Inflation Calculator, \$25,000.00 in 1963 equals \$183,203 in 2011 dollars; and

WHEREAS, current state law and regulations that determine prevailing wage rates are fundamentally vague and often favor collective bargaining agreements and union wages, which skews rates unnecessarily higher than they otherwise would have been if determined under alternative means; and

WHEREAS, the Pennsylvania State Association of Boroughs has several standing policy resolutions urging the General Assembly to adopt common sense reforms to the Prevailing Wage Act including increasing the threshold, establishing clearer guidelines in the determination of wage rates, and providing a local option; and

WHEREAS, House Bill 1329 (Session of 2011) would, if enacted, increase the prevailing wage threshold from \$25,000 to \$185,000 and adjust this amount annually based on the Consumer Price Index; and

RESOLUTION
2018-11

A RESOLUTION OF THE COUNCIL OF THE BOROUGH OF FRANKLINTOWN, YORK COUNTY, PENNSYLVANIA, EXPRESSING ITS OPPOSITION TO THE FORMATION OF A COUNTY-WIDE STORMWATER AUTHORITY.

WHEREAS, the York County Board of Commissioners is considering a plan to create and maintain a county-wide stormwater authority; and

WHEREAS, the Borough Code, at 8 Pa.C.S.A. §§ 2201–2206, specifically grants to the Borough the authority to regulate stormwater and empowers it, with the requisite approval of federal and state agencies, to take all actions necessary to effectively control stormwater within its boundaries; and

WHEREAS, the Borough Council of the Borough of Franklinton, York County, is opposed to the creation of a county-wide stormwater authority and believes that a such an authority would not be in the best interests of its residents.

NOW, THEREFORE, BE IT RESOLVED, and it is hereby resolved by the Borough Council of the Borough of Franklinton, County of York and Commonwealth of Pennsylvania, that the Borough firmly opposes the establishment of a county-wide stormwater authority for the following reasons:

1. Borough officials are elected by its citizens and are directly accountable to them, making municipal officials more highly motivated and responsive to resident issues and complaints than appointed county employees. Creation of a county-wide authority would weaken local officials' authority as granted by the Borough Code.
2. Being on-site, Borough officials and the Borough Engineer can investigate, design and implement stormwater improvements at a lower cost to the taxpayers and in a more timely manner than distant, county employees and contractors. Council believes that creation of a county-wide authority would greatly increase taxes and fees for its residents.
3. The Borough and other municipal officials are better equipped and able to resolve the local stormwater issues because they can consider multiple options, take all circumstances into account, choose the option that best addresses all conditions. Each resolution is tailored to the specific location and is not forced from a uniform approach adopted for the county.

4. Because Borough officials and the Borough Engineer better understand the local watersheds and flows, it can more efficiently and effectively investigate and design stormwater systems and infrastructure to resolve stormwater issues as they arise.

BE IT FURTHER RESOLVED that a copy of this Resolution shall be delivered by First Class Mail to the York County Board of Commissioners to so indicate the Borough's opposition and to request the County abandon this plan.
