2020

If you are able, you can complete the 2020 Census at my2020census.gov or call 1-844-330-2020 to complete the census via telephone.

Online notes – Click Start questionnaire button, Click where it says: [If you do not have a Census ID, click here.](#)

Click the circle that says A U.S. State or the District of Columbia then click the next button

Enter your physical address, not your PO Box, then hit the next button. If you receive a message at the top that says: Please review your address. We are unable to process the address you provided. To ensure we have the best possible address for you, please review the information below for a misspelled street name, missing apartment numbers, or an incorrect zip code. Please provide a complete street address for your residence. Provide the street address you would use to have a package delivered directly to your residence, not a rural route or P.O. Box address used for mailing purposes. A street address is the most helpful for processing your response.
