

Hope for Appalachia Virginia Inc - Hope Boxes -

WHAT is a Hope Box?

A Hope Box is our gift to the students at each school we visit. Not only does it provide some essential items, it also provides a few fun things; every kid deserves a little fun. It also helps us share the Good News. Just as we brought the gift of a Hope Box, Jesus bring us ALL the gift of salvation.

WHERE does a Hope Box go?

Currently, we are taking Hope Boxes into eastern Kentucky, deep in the Appalachian Mountains. The downturn of U.S. coal production has left one-third of the region living in poverty, without hope and in great despair.

WHAT goes into a Hope Box?

We ask that each box include the following items: pencils, a toothbrush, a full-sized tube of toothpaste, and 2 pairs of socks. Other items can be school supplies and age appropriate fun items.
