

**Our 2024 FUNdraising Banquet!**  
**Saturday April 27 @ the Fairgrounds.**  
**Doors open at 5:30**

**THE EVENT!**

We are excited for the connections, conversations, the greeting of old friends, meeting new friends, the dining experience, the inspiration, and the fun to be had at our 2024 banquet. This year we have a comedy club themed event and we are blessed to present comedian and actor BRAD STINE as our event speaker. We will also have catering by award winning chef CAMERON McCLEAN (who's restaurant will be featured on the show America's Best Restaurants). We are also excited to continue funding our mission to save lives and educate and empower parents! What a great event!

**MORE ABOUT BRAD STINE...**

For over 20 years, Brad Stine has been by far the most unique Christian comic in the country. His desire to mix his style of intelligent and relatable comedy observations has always been supplemented by his desire to inspire believers to be bold and unapologetic about their faith in Christ. This approach has made him a sought-after comic, appearing numerous times on Fox & Friends, Huckabee, CNN, as well as on numerous Christian broadcasts. The accolades he has received from the likes of Tucker Carlson to Eric Metaxas and ministry leaders from Promise Keepers to mega-church pastors (and everyone in between) has made him one of the most influential Christian comics, actors, writers, and apologists in the nation.

Please join us for laughs, a passionate pro-life message, great food, and an impactful evening. One not to miss. [Seats are limited so act now to get your spot for an incredible evening!](#)
