

### Walk For Life 2020

Why do we walk? How does this affect us as Catholics? Can we make a difference? It was Dr. Martin Luther King, Jr. that said, “*The time is always right to do what is right.*” I am one of the thousands who participated in the Walk for Life this year 2020 and I do believe this statement to be true. When we realize that injustice has occurred in our country, it is our duty to stand up for what is right and do something to protect the innocent. In this case, the innocent is the unborn.

On Friday, January 24, 2020, you may or may not have noticed; something monumental has happened to move the beginning of year 2020 into a more positive direction. It was not simply business as usual, but for the first time in American history, the president of the United States, commander-and chief actually participated live by speaking at a “pro-life” - March for Life Rally in Washington DC. I do not think I would have believed this if I did not see it with my own eyes. It matters not if he is a popular president or not, the fact that president Donald John Trump appeared in person showed that he had the courage to do something right in face of unpopular opinion. In a speech by President Trump to the senate found on CBN News he says:

*“There could be no greater contrast than the image of a mother holding her infant child then the chilling displays our nation saw in recent days. Law makers in New York cheered with delight upon the passage of legislation that would allow a baby to be ripped from the mother’s womb moments from birth. These are living, feeling, beautiful babies who will never get the chance to share their love and their dreams with the world. And then, we had the case of the governor of Virginia, where he stated, ‘he would execute a baby afterbirth’. To defend the dignity of every person, I am asking Congress to pass legislation to prohibit the late term abortion of children who can feel pain in the mother’s womb. Let us work together to build a culture that cherishes innocent life and let us reaffirm a fundamental truth all children born and unborn are made in the holy image of God...”<sup>1</sup>*

What does this mean for our current generation? Maybe it means that this is “the time” to do what is right. Maybe, there is hope that during our lifetime we may see an end to abortion once and for all. Let us pray for the end to abortion.
