BISHOP’S MESSAGE

Charity & concern for one another is
Christ’s way, the Catholic way
the only way!

Brothers and Sisters,

As your bishop, I continue to ask for
your cooperation as we maneuver
through this latest development of the pandemic. In the
past week I have asked the faithful throughout our diocese
to adjust yet again. I understand that these adjustments are
at times confusing and frustrating for some but as your
Bishop, I feel they are necessary. I promise you I do not
take these decisions lightly and in addition to consulting
with local experts, I and my team read all of the feedback
from you, the faithful, so that I can make an informed
decision for our parishes and schools.

It is my sincere hope that you follow the present
recommendations for the sake of the common good in
order to help protect yourself, your families & others.
Within the six counties of our Diocese of Stockton, made
up of an approximate population of 300,000 Catholics, I,
as Bishop, have the responsibility to oversee the spiritual
life, including the concern for your well-being, as mem-
bers of our Diocesan Church.

Here are some points I’d like to remind you of that I feel
we as a community are not discussing as much anymore:

- Take care of your body as a whole. Exercise, eat well
and remember to get rest.
- Check in with one another, mental health has been a
challenge through this pandemic and community is
important.
- Washing/Sanitizing of hands and avoiding touching
your mouth, nose and eyes helps keep you safe from
any illness or virus.
- If you are not feeling well for **any** reason, stay home so
that you do not get others sick. .

Masks, help. Vaccines, help.

Let us selflessly work together, *As One*, for love of God &
neighbor. **Charity & concern for one another is -
Christ’s way, the Catholic way - the only way!**

In the Peace of Christ,
Bishop Myron J. Cotta

SUMMERTIME CHILD SAFETY

DID YOU KNOW? By Archdiocese of Los Angeles
What you can do to help
Every Catholic is called to protect the most vulnerable, including
children who are at risk for abuse and exploitation. Find out how
your community is working to prevent child abuse and get in-
volved. You can continue to learn best tips and prevention practices
through the DID YOU KNOW bulletins each week. You can also
enroll in VIRTUS training to receive extensive information on how
to identify suspicious behavior and report it. Encourage everyone
you know to learn about child sexual abuse prevention. Together,
we can change the future for our children. For more information
