FINANCIAL REPORT

The Annual Financial Report for the parish was to reflect the fiscal year 2019-2020 to June 30th; which was due out in the 3rd quarter of 2020. This report was delayed due to the Covid-19. Attached you'll find the Income and Expense Report compared to the previous year. Overall income decreased by <-1.27%> while overall expense decreased by <-16%>. Basically, the parish and mission church had a net decrease in growth largely due to the Coronavirus minimizing expenses while donations were lessened. Offertory and fundraising did better this year. End of Fiscal Year Net Income did much better at <-\$24,489> compared to <-\$77,185> the previous year. The <-\$24,489> was due to parish income revenue paying out for capital improvements at St. Josephs' in Tuolumne before the end of the Fiscal Year of 6/30/20, but would be reimbursed through the reserves during the 3rd quarter 2020 (the next fiscal year, which would then bring our Net Income currently to +\$14,339). This is good news, indicating the parish has slowly improved in her fiscal financial responsibilities while doing extensive capital improvements. Even during the Coronavirus we've increased our overall offertory from last year and done better than last year's fundraising.

Thanks to our many parishioners we were able to exceed our goal for the Bishop's Ministry Appeal.

CHRISTMAS GIVING TREE

The tree will look a little different this year due COVID. Instead of finding a tree in the vestibule with ornaments, we ask that you call the office and an ornament will be mailed to you. **When you *have wrapped your gift, attach the ornament to the gift and bring it to the All Saints' Parish Office no later than Sunday, December 13th.*** We thank you in advance for your generosity. Questions? contact Jeanne MacNitt at 586-3161.

CHRISTMAS BOUTIQUE FUNDRAISER

Many of you have seen the beautiful array of Christmas decorations, gifts and gadgets on display at the parish hall since early November. We'll continue to fundraise through the month of December. We encourage parishioners to come by the parish during office hours to shop for anything you may like at this boutique. We also ask for any volunteers who could help manage/staff the boutique during office business days/hours. Contact the parish office. As of November 24th, we have raised \$1,129.00.
