

SUNNY. WITH A CHANCE OF SUNNY.

EVERYTHING'S BRIGHTER IN THE CARIBBEAN.

Break out the sunscreen. This season, we have seven stunning ships—including our two newest—visiting 34 sun-soaked Caribbean destinations in 27 countries. Just thinking about it makes you feel relaxed. Immerse yourself in the culture, music, people, and carefree lifestyle that these islands are famous for. Plus, five overnight stays and a double overnight. Because sunsets in the Caribbean are not to be missed. For our 2020-21 season, you can go island hopping on board the two most innovative ships in paradise, Celebrity Edge[®] and Celebrity ApexSM. Both are designed to connect you more than ever to the sunny views and gorgeous sights of the Caribbean.
