

MEET AUDRA BENEÉ'

Certified Herbalist with principal studies in herbal pharmacology, lymphatics, cancer and naturopathic practices. My vision is to educate, support and assist clients in activating their body's natural healing abilities through botanical intervention and holistic wellness.

I provide personalized, causative and preventative care services. Thus performing comprehensive assessments and suggesting medicinal herb therapy. I strive to equip my clients with tools to further harness their recovery and well-being. My goal is to balance immunological deficiencies, and restore vitality by linking wisdom to healing.
