

MEET THE HERBALIST

Audra Bence' RH

Certified in herbal pharmacology, lymphatics, methylation, bio-energetics, & neurology. With principal studies in cancer, autism, multiple sclerosis, Alzheimer's, autoimmune disorders, naturopathic & homeopathic practices.

My vision is to educate, support and assist clients in activating their body's natural healing abilities through botanical intervention and wholistic wellness.

I provide multiple modalities of causative and preventative care services. Thus performing comprehensive assessments and suggesting specific medicinal herb therapy. As, I strive to equip my clients with tools to further sustain their recovery and well-being. My goal is to balance immunological deficiencies and restore vitality by connecting wisdom to healing.
