

In Loving Memory ~ Anne M Varese

FOOTPRINTS

One night a man had a dream. He dreamed
he was walking along the beach with the Lord.

Across the sky flashed scenes from his life.

For each scene, he noticed two sets of footprints in
the sand - one belonging to him, and the other to the
Lord. When the last scene of his life flashed before
him, he looked back at the footprints in the sand. He
noticed that many times along the path of his life
there was only one set of footprints.

He also noticed that it happened at
the very lowest and saddest times of his life.

This really bothered him and he questioned the Lord
about it. "Lord, You said that once I decided to follow

You, You'd walk with me all the way. But I have
noticed that during the most troublesome times in my
life, there is only one set of footprints. I don't
understand why when I needed You the most You
would leave me." The Lord replied, "My son, My
precious child, I love you and would never leave you.

During your times of trial and suffering,
when you see only the one set of footprints,
it was then that I carried you."
