9515 W Camelback Rd;  
Phoenix 85037

John Nix has more than 46 years experience in the insurance business, and has been with Geico since 1991. He can help you put together a comprehensive, personalized insurance package to include your home and vehicles – including *{of course}* your motorcycle. Additional insurance products include Renters insurance, Condo insurance, Mobile Home insurance, Boat insurance, ATV insurance, RV insurance, Umbrella insurance, and Commercial insurance.

John has built a knowledgeable team of experienced agents to help him help you with any of your insurance needs. They must be doing something right. John and his

fellow agents have made this office the number 3 producing Geico agency in the *nation*. Plus, they are second in writing motorcycle policies in the nation.

Yes, you can sign up for insurance on a website. It's fast and you can do it any time of the day or night. BUT, if the time comes that you NEED your insurance, you want that person-to-person service that an experienced agent can give during what may be a stressful

situation.

There is no additional fee or premium associated with having a personal agent. There's just piece of mind knowing you have a familiar person to speak with if you have to make changes to your policies or file a claim.

Everyone needs some type of insurance. John Nix has been part of AriZona's motorcycling community for many years. It just makes sense to support a local businessman within our community when shopping for something you need.

John Nix's Geico Insurance Office offers state-wide service. Call them at 602-234-3426 or stop by the office at 9515 West Camelback Road in Phoenix (Just east of the 101 on Camelback). You can also send email to [JNix@geico.com](mailto:JNix@geico.com).
