

Witches Ride 2024

This Ladies-Only Ride is hosted by [Motorcycle Princess](#) Jennifer Sievers. The event first took place in 2018 and has been a popular & fun annual ride ever since.

In addition to some pretty amazing costumes, some of the ladies decorate their bikes as well. It makes for quite a sight for other motorists as the pack of witches makes their way down the road.

This year, the riders met up at J&P Cycles in Scottsdale on Sunday October 20. Kickstands up at 10am and they were headed on a route through Fountain Hills & Rio Verde before landing at the Mountain View Pub in Cave Creek for lunch.
