

Freedom Riders MG 4th annual Toy Run

After all of the toys were collected, the procession traveled to the police station. From here the Freedom Riders Toy Run received a lights and siren escort across town by two Quartzsite Fire Department fire trucks. The final destination was the Quartzsite Salvation Army. Here, all the toys were given to LeAnn and her amazing crew of volunteers for distribution to needy

The Freedom Riders Motorcycle Group held their 4th Annual Motorcycle Toy Run on Sunday, December 8th. There were 31 riders and 3 cars and our local radio station KBUX 96.5. The day started at the VFW post 769 at 8am. Stops included Sunset Grill then to Grubstake Social Club where Denis the manager set up breakfast for us. Donation boxes had been placed at multiple locations in the region, encouraging the community to donate toys for kids in the Quartzsite area whose families are currently experiencing financial challenges. The toy run on December 8th was a motorcycle group tour to make stops at and pick up the donated gifts at all of those toy donation box locations. So, with full bellies we traveled to Bouse AZ for pickups at the American Legion and VFW Halls; and the Dollar General, Family Dollar, & Coyote Fresh stores in Quartzsite. At the stop at Quartzsite's Arizona Sun RV Park we picked up a full box of gifts and 2 bikes!

families in the community.

The toy drive and toy run were a terrific success and was able to bless a good number of children this holiday season. The Freedom Riders Motorcycle Group says "Thank You" to the businesses and civic groups who allowed donation collection boxes and 'thank you' to all of you who chose to donate. Thank you and Merry Christmas!

Thank you to Dennis Vosper, Mike & Amber Myers for sharing this day with our readers. B&B
