

Six-Shooter Poker Run

from Bill Bracken, Lost Dutchman MC, Queen Creek Chapter:

We would like to start with a Great Big "Thank you" to everyone that came out on September 10th for the 6th annual "Six Shooter Poker Run" hosted by the Queen Creek Chapter of the Lost Dutchman Motorcycle Club. The poker run sign-up was at Superstition Harley Davidson in Apache Junction. The next stops were The River Bottom Bar & Grill in Florence, then off to The Gym Grill & Bar in San Tan Valley, then to Skippy's Grill & Cantina in Queen Creek. At an undesignated point between The Gym and Skippy's was a "Ghost Stop" where (if you saw the Banner marking the stop)

you could get an extra Card and pitch one Card away that you didn't need - for a better hand. Last stop was the Lost Dutchman MC Clubhouse in Apache Junction.

The "Highest Hand" could stake claim to a "Six Shooter" Pistol. Tickets for a raffle where the winner was to be announced at the Six Shooter event had been sold for the past 6 months. The winner of this Raffle could stake claim to a High tech Shotgun. Ironically enough, two attending members from the same club won both prizes! Apparently, luck was on their side.

We had approximately 200 attendees that day, which we feel is a great turn out. It was a beautiful day, and the live Music was supplied by the White Lightning

Band.

In closing, thank you all again for your support. Keep your eyes on the Arizona Confederation of Motorcycle Club's (ACMC) Website. ... The ACMC Calendar will be showing you all the Christmas Toy Runs in December coming up quickly. You can find them at azcmc.org.....
