

# Goldrush Run 2022

The 26th annual Goldrush Run, hosted by the Lost Dutchman MC took place on Saturday March 12, 2022.

The day started at the LDMC Mesa Clubhouse {1826 W Broadway Ste #42; Mesa} with a biscuits & gravy breakfast available. A cool morning followed by a sunny afternoon made it a good day for the ride. They had 169 people register for the run.

The route took riders to the clubhouses of Revolution, ALMA Eastside, LDMC Queen Creek, Loose Cannons, & Mesa's Hell's Angels. The ride was a little over 60 miles.

Riders returned to the Lost Dutchman MC Clubhouse in Mesa for the last draw – which was selected by throwing a dart at a board covered in playing cards.

The afternoon included food, vendors, and the announcement of the win-

ners. Music was provided by the White Lightnin' Band and they did a real good job.

Vendors included True Tone helmets, a fellow with knives, Ruger & Nessa's Bling, Custom Cycle Seats, and Ebenezer's Custom Leather Works.

Raffle items included gift certificates, hats, vests, knives, collectibles, & more.

There was also a separate \$5000 raffle {YES – you read that right!} The winner was not required to be onsite for the drawing. When the ticket was drawn they made a phone call to the number on the ticket... and the voicemail box was FULL! They gave 24 hours for him to call back or someone to reach him with the news. And how did all that go??? By the end of the day he was calling in and confirming his ticket! Outstanding!

CONGRATULATIONS!!!!

The 50/50 winner collected \$325.

High hand winner Nessa had a Full House with 3 queens & 2 jacks; earning her the golden prize. Second and third place winners had Full Houses also – Paul and Stan each collected \$100. Very nice!

LDMC Mesa commented, "What a great day!" and followed, "We want to give our thanks to Flat Iron Electric for their help in acquiring sponsorships. Also a special thanks for the great support from the community we received on the day of the run." The day raised \$2000 for Sunshine Acres Children's Home.

Congratulations LDMC on a fun and successful day!

Betsy
