

# September Scorcher with the Loners MC

The San Tan Chapter of the Loners MC hosted their 12th annual September Scorcher event on Saturday September 23, 2023. It took place at the River Bottom Saloon, on Highway 79 in Florence. It was a perfect day for a ride and spending time with friends.

The morning clouds burned off to a sunny afternoon. It was a warm day but not as much of a Scorcher as in years past. Not quite 100 degrees! ☺

There was good camaraderie ... Lots of laughter, conversations, music, and dancing. More than 11 organizations were represented ~ as well as a large number of Independent riders.

There was a Corn Hole tournament going on throughout the day. The winning trophy went to Ron Leon & Steve Richardson. Winners of the 5-stop Pok-

er Walk were Doc & Molly. The Chicken Shit Bingo game was won by #38 Laura. She collected \$145. ☺ You could test your Dart skills to win a variety of different prizes.

The band was Mojo Grinder. They definitely had people heading out to the dance floor ☺

During the band's break, the raffles were drawn and other announcements made. 50/50 winner Dave received the \$217 prize. He then took a \$20 off the top & returned the rest to the event. The gun raffle, for a S&W 9mm Folding Carbine, was won by Brandon. Loners MC San Tan Chapter presented Ashley of the River Bottom Saloon with an Appreciation Award.

Thanks go out to the Raffle sponsors - including AZ Biker Leathers of

Phoenix, Roosters Country Bar [Mesa], Arrowhead HD, longtime Loners MC supporters Pat & Trish, and Hawg Haven Leathers [Apache Junction].
