

New Year's Car & Bike Show 2020

On January 11, 2020 Superstition Harley-Davidson & CMA's New Life Chapter co-hosted a Motorcycle & Car Show in the SHD parking lot.

It was free to attend which included all the ogling you could handle plus a free bbq lunch served up by CMA.

If you were among the 79 or so owners who chose to enter their vehicle in the

show, you received a professional photo of your pride & joy, taken by SHD's house photographer Randy Anagnostis. Your \$10 entry fee went to support the CMA's mission to "provide outreach and support to the motorcycling community".

New Life CMA {Christian Motorcyclists Association} is based in East Mesa. To

contact them email cmanewlifeaz@gmail.com

We're glad we could attend & kick off the New Year with a healthy dose of eye candy ☺
