

Yuma HOG Chapter's Breast Cancer Motorcycle Fun Run

The Yuma HOG Chapter held its 13th Breast Cancer Motorcycle Fun Run on October 22, 2022. Chapter Director Reynold Jerome III started this event 13 years ago. He shared this follow up about the day, "We were able to raise \$13,750 that was donated to the Yuma Cancer Resource Center. \$10,000 was in cash and rest was in Gift cards to Texas Road House. The cash is used for treatment, gas coupons, nutrition, or whatever is needed to help people who are fighting cancer. The gift cards are given to the patients so that they can get a meal after their treatment so they don't have to dig into their pockets. Texas Road House raises money during the month of October selling pink ribbons that people can write their names on and they are hung on the walls at the restaurant. All money raised is used to purchase the gift cards. They also donate the meals for the motorcycle run. Our Motorcycle run raises the cash needed for everything else. We don't dictate how the money donated is to be used. That is decided by the volunteers at the Resource Center. Desert Document Shredders donated stress release items for the run. Sun Graphics Printing donated all the printing that needed to be done. All 3 Marriott Hotels helped purchase the pink ribbon pins for the run. Bobby's Territorial Harley-Davidson helps us out the most with covering everything else needed to complete the motorcycle run."

He added, "On behalf of HOG, I would like to thank everyone who came out to support the Yuma Cancer Resource Center at our 13th Save the Boobies Fun Run. Thanks goes out to all our sponsors who helped to make this event a successful one. It's great to see everyone coming together for such a great cause. As a team, we're making a difference in Yuma. Thank you."
