Dear Emma

Thank you for your correspondence of 27 January to Matt Hancock about the NHS guidelines for single-sex accommodation in relation to transgender people.

As you may know, NHS England is responsible for the guidelines. I am advised that it has received a number of comments with regard to this policy and, in light of those comments, it will be reviewing the position. I understand that it will seek to ensure that the outcome of any review will inform this policy and guidance.

Kind regards,

JO CHURCHILL
