

HOLIDAY SHOP HAS HAD AN UNPRECEDENTED HUGE SURGE IN DEMAND THIS YEAR

OVER 3,000 MORE PEOPLE THIS YEAR THAN LAST YEAR & COUNTING

More than 14,500 low-income people have already registered to shop at no cost, December 1-9, at the Johnson County Christmas Bureau 2023 Holiday Shop.

WE NEED YOUR HELP!

The demand is so high that we filled all the appointments and had to add new time slots to accommodate the need.

We are asking the public to help with donations of funds or goods. We serve as a safety net for other agencies that have run out of funds.

Johnson County Christmas Bureau is a 501c3 nonprofit and for over 63 years has relied solely on community support to help our neighbors using no government funding.

The JCCB also provides goods to over 1,000 elderly and senior living residents of Johnson County, KS.

We need monetary donations to fulfill the huge surge. Donate frozen turkeys, hams, peanut butter, cake mixes, diapers and personal care items.
