Imagine a warm breeze, candlelight flickering, and the feeling of gathering with friends on a beautiful Mediterranean evening... all while changing lives right here at home, an unforgettable night of purpose and possibility.

This year, we invite you to "Escape to Give Hope: A Night on the Mediterranean". An evening filled with warmth, elegance, vibrant culture, and most importantly - Impact.

Enjoy a lively night featuring:

- Live entertainment
- Exciting Live & Silent Auctions
- Delicious Mediterranean-inspired experiences
- Meaningful moments that connect us as a community

For 66 years, Johnson County Christmas Bureau has brought people together to provide warmth, hope, and essential needs to our neighbors facing hardship. This night is more than a gala - it's a chance to step away from the everyday, come together in joy, and create real change for families who need it most.

Each December, over 13,000 of our low-income Johnson County neighbors depend on the Johnson County Christmas Bureau's Holiday Shop for extra help during the holidays. Warm coats, nourishing groceries, gifts for under the tree, household and hygiene products give already stretched budgets much needed relief at a time of year when money is especially tight. By becoming a 2026 SPONSOR of JCCB's signature fundraising event, you will make a difference in our community!

JCCB : STATS & FACTS

JCCB.ORG

Our recipients are children, single moms, veterans, survivors of domestic abuse, working adults and neighbors seeking employment ... families like ours that never thought they would need help.

Over 36,000 Johnson County neighbors live below the federal poverty level (6.5% of the population).

The total number of people living in low-income housing is 90,341 or approximately 15% of the Johnson County population. We estimate that an additional 25,000 neighbors live below 150% of the federal poverty level. In 2025, we served over 13,000 of our neighbors in a 9-day holiday shop.

For a family of four, this is an annual income below \$37,650.00. These families need a bridge to help them properly provide for their children and pay their bills. JCCB is that bridge.

Since 1960, JCCB provides warmth and support, during the winter holiday season to low-income Johnson County, Kansas families. Our annual Holiday Shop allows families in need to "shop" for children's & teen coats, toys & gifts, clothing, personal care items, hats & gloves, books as well as groceries, all at no cost. We increase awareness and understanding of poverty in Johnson County, Kansas; and give neighbors an outlet to help neighbors.
