

# A Walk Through Of: *Lick The Mold Off The Strawberry*

By: Lola Singh

~~WITNESS~~

When I go fishing for the worst  
Everything around me is bait  
I'll cast you out for nothing  
More than hate  
~~jealousy~~ Arises in me  
↳ I see it all as fake  
So I question the intention  
of fate

I'll take you out of my scrap  
book  
Feed it to the ~~other~~ moths see  
~~the~~ reason to start  
Overthink, what was said & which  
the weeping ~~other~~ parts  
You just want me as your friend  
For extra likes & heart  
Don't you lie, I can see it  
Will always fall apart

V1-

When I go fishing for the worst,  
Everything around is the bait  
Maybe when I witnessed her  
Something in me changed  
Love and hate, they rearrange  
Causes my mind to paint a new  
landscape

Chorus-

So I'll take you out of my  
Scrapbook

Feed it to the birds  
Baby I know your hurt  
But so am I  
Baby I know you're hurt  
But so am I
