Better Balance = Better Government

No political party has all the best solutions. Yet presently, our legislature is almost entirely controlled by one party – and that's been the case for 40 years! A **better-balanced** state legislature will deliver a **better government**. Positively!

Represent Values of “Purple Majority”

Sioux Falls is a growing, progressive city. The vast majority of us are neither hard partisans on the “Red Right” or the “Blue Left”. We prefer solutions in the **“Purple Center”** which promote personal freedom, economic opportunity for all, and security for our families. Those are the positive values I will represent.

Serious Business Experience

With my diverse background leading numerous successful businesses and organizations, I'm prepared to hit the ground running on day one, providing the experienced representation you deserve in Pierre. **I would appreciate your vote on November 6!**

Early Voting Starts September 21.
