

FDA AND GENERAL LEGAL DISCLAIMERS

Apex Labs CBD's Pico IV products have not been evaluated by the FDA and are not intended to diagnose, treat, mitigate, or cure any disease or medical condition. All statements and information presented in association with such products by Apex Labs CBD or its affiliates are not meant as a substitute for or alternative to information from health care practitioners. Please consult your health care professional about potential interactions or other possible complications before using any product.

No representative of Apex Labs CBD, including directors, employees, agents, or its subsidiaries, and affiliates, are engaged in rendering any medical advice, diagnosis, treatment, or other medical services. All statements and representations of such Apex Labs CBD representatives, including the text, graphics, images, and other material contained on any Apex Labs CBD informational, packaging, or website, are for informational purposes only and do not constitute medical advice and are informational expressions of opinions only.

The use of Apex Labs CBD Pico IV products or the reliance on statements made by Apex Labs CBD or its representatives does not create or constitute a physician-patient relationship. Any statements or recommendations made by Apex Labs CBD or its representatives should not replace any medical advice you have previously received or may receive in the future.

Apex Labs CBD Pico IV products contain cannabinoids. Always consult with a physician regarding your state of health, including any preexisting conditions you may have, and other medication that you take or may take before starting any Apex Labs CBD Pico IV products and do not take any Apex Labs CBD Pico IV products if you have any allergies, take or may take any potentially interactive medications, or have other health conditions that may cause any harmful or undesirable effects.

Consult a physician before using any Apex Labs CBD Pico IV products in any form during pregnancy or while breastfeeding. Do not use Apex Labs CBD Pico IV products against the advice of your physician.

Do not use Apex Labs CBD Pico IV Products to administer medical or illegal products of any kind or in conjunction with any substance that is illegal, potentially interactive with Apex Labs CBD Pico IV products, or that may affect the structure or function of the body in any way.

Apex Labs CBD Pico IV products are not for the sale or use by minors. Do not use Apex Labs CBD IV Products if you are under the age of 21 or if such products are prohibited or illegal in your city, state, or jurisdiction otherwise. Keep Apex Labs CBD IV products out of reach and access by children and pets.

The lawful and proper use of Apex Labs CBD IV products is a condition of sale. Apex Labs CBD strictly prohibits the use of any Apex Labs CBD products in any manner that is prohibited, illegal in your jurisdiction, or contrary to the recommended use recommended by Apex Labs CBD. Prohibited, illegal, or improper use of Apex Labs CBD IV products may be prohibited or illegal and may result in severe fines, penalties and/or imprisonment under the laws of your jurisdiction.

While Apex Labs CBD Pico IV products do not contain THC, they do contain other cannabinoids. These cannabinoids may trigger a positive drug test, if testing for cannabinoids. Apex Lab CBD is not responsible for any consequences of a positive drug test resulting from the use of Apex Labs CBD Pico IV products. Do not use Apex Labs CBD Pico IV products if you are subject to a legal requirement to pass a cannabinoid drug test.

Apex Labs CBD Pico IV products should only be administered by a qualified IV technician or other medical professional qualified to administer an intravenous therapy. The administration of Apex Labs CBD Pico IV products by an unqualified individual can result in severe bodily harm and Apex Labs CBD considers such unqualified administration a misuse of its IV products.

The use of Apex Labs CBD Pico IV products may cause drowsiness. Do not operate a motor vehicle or heavy machinery after taking Apex Labs CBD Pico IV products.
