

Pioneer Garden Club of Ocala, Inc. – Membership Form

Membership in the Pioneer Garden Club means that you also become a member of a state-wide organization, the Florida Federation of Garden Clubs (FFGC). FFGC is our state affiliation with the National Garden Clubs, Inc. After joining the Pioneer Garden Club (PGC) you will receive a quarterly publication, *The Florida Gardener*.

Membership in the Pioneer Garden Club offers opportunities to be involved with local community efforts to conserve natural resources, beautify public places and to advance the artistic use of plant materials. The personal benefits of membership come from growing a green thumb along with others who enjoy learning together through hands on activities, and from sharing gardening tips and skills with others. You can also explore floral design, flower arranging, container gardens, and landscape design.

Garden Clubs provide first-hand experiences that the Internet cannot fulfill.

Visit our website, www.pioneergardenclub.org for information about events and activities.

The Pioneer Garden Club is a 501c3 Organization dedicated to enriching lives through gardening, landscaping, and environmental excellence. Gardening Circles of the organization are Camellia, Daffodil, Gloriosa, and Morning Glory. The Club has been a member of the Florida Federation of Garden Clubs since 1930.
