

Pioneer Garden Club of Ocala, Inc. - Membership Form

Membership in the Pioneer Garden Club means that you also become a member of a state-wide organization, the Florida Federation of Garden Clubs (FFGC). FFGC is our state affiliation with the National Garden Clubs, Inc.

After joining the Pioneer Garden Club (PGC), you will receive a quarterly publication, *The Florida Gardener*.

Membership in the Pioneer Garden Club offers opportunities to be involved with local community efforts to conserve natural resources, beautify public places and to advance the artistic use of plant materials. The personal benefits of membership come from growing a green thumb along with others who enjoy learning together thru hands on activities, and from sharing gardening tips and skills with others.

What makes Garden Club Unique?

The artistic use of plant materials. The artist in you may want to explore floral design, flower arranging, container gardens, landscape gardening or landscape design. The first step to exploring these artistic expressions is to learn about the plants.

Garden Clubs provide hands on experiences that just can't be replaced by the internet.

Pioneer Garden Club offers two avenues for involvement at whatever level best fits your situation: Monthly Gardening Circle and/or Seasonal Garden Club Events.

Visit our Website, www.pioneergardenclub.org for information about events and activities.

The Pioneer Garden Club is a 501c3 Organization dedicated to enriching lives through gardening, landscaping and environmental excellence. Gardening Circles of the organization are: Camellia, Daffodil, Gloriosa and Morning Glory.

The Club has been a member of the Florida Federation of Garden Clubs since 1930.
