

SIMPLIFY & OPTIMIZE IT AND TELECOM EXPENSES

KGM CONSULTING & SOFTELIGENT: YOUR STRATEGIC PARTNER FOR TELECOM EXPENSE MANAGEMENT (TEM)

KGM Consulting has partnered with Softeligent to deliver a best-in-class Telecom Expense Management (TEM) solution—designed to automate processes, increase visibility, and reduce IT and telecom costs. With decades of experience managing enterprise IT solutions, KGM Consulting has carefully selected Softeligent as a trusted TEM provider based on their proven track record, automation capabilities, and cost-saving results.

KGM Consulting also offers Managed Services to complement Softeligent's TEM platform, providing businesses with hands-on support, ongoing monitoring, and expert guidance to maximize cost efficiencies.

WHY KGM & SOFTELIGENT?

- End-to-End TEM Automation – Automates invoice processing, cost allocations, dispute management, and contract compliance.
- Increased Cost Savings – Identifies billing errors, eliminates overcharges, and optimizes telecom spend.
- Enterprise Visibility – Centralized, real-time access to all telecom expenses and assets.
- Customizable & Scalable – Flexible configurations to fit unique business needs.
- Managed Services Overlay – KGM Consulting provides expert analysis, dispute resolution, and ongoing expense optimization.

CORE FEATURES & BENEFITS

- ✓ Automated Invoice Processing – Eliminate manual tasks and streamline accounts payable.
- ✓ Service Inventory Management – Maintain accurate records of all telecom assets and services.
- ✓ Billing Dispute Resolution – Identify and recover incorrect charges.
- ✓ Cost Allocation & Chargebacks – Assign telecom costs by department or cost center.
- ✓ Contract & Vendor Management – Track service agreements and ensure compliance.
- ✓ Data-Driven Insights – Optimize IT and telecom spend with real-time analytics.

LET KGM CONSULTING & SOFTELIGENT HELP YOU TAKE CONTROL OF YOUR TELECOM EXPENSES WITH AUTOMATION, EXPERT OVERSIGHT, AND CONTINUOUS SAVINGS.
