## Certificate

### MISSION

At TBT Freight Solutions, our mission is to provide reliable, efficient, and cost-effective freight brokerage and logistics services. We are dedicated to streamlining our clients' supply chains with tailored solutions that ensure timely deliveries,

### Business Size

## Small Business

### DIFFERENTIATORS

- Customer-Centered Service Model

We prioritize clear communication, responsiveness, and personalized support. Each client receives tailored logistics solutions designed to meet their operational timelines and budget requirements.

- Strong & Vetted Carrier Network

Our established relationships with reliable, safety-compliant carriers ensure consistent performance, secure freight handling, and dependable on-time delivery.

- Hands-On Industry Expertise

With practical experience in both trucking operations and freight brokerage, we understand transportation challenges from multiple perspectives—allowing us to anticipate issues and provide proactive solutions.

### CORE CAPABILITIES

- Freight Brokerage: Connecting businesses with reliable carriers to ensure timely and cost-effective transportation solutions.
- Logistics Coordination: End-to-end management of shipments, optimizing routes and schedules for efficiency.
- Supply Chain Management: Streamlining the movement of goods, reducing delays, and enhancing operational flow.
- Carrier Network Management: Leveraging an extensive network of vetted carriers to handle diverse freight needs.
- Government Contracting Support: Expertise in providing freight and transportation services to federal, state, and local government agencies.
- Custom Logistics Solutions: Tailored freight solutions to meet the unique needs of each client, from small businesses to large enterprises.
- Tracking and Reporting: Real-time shipment tracking and performance reporting to ensure transparency and reliability.
- Freight Consulting: Offering expert advice on freight strategies to help businesses optimize transportation costs and logistics.

# KEY STRENGTHS

## PAST PERFORMANCE

---

- Successfully coordinated freight movements for commercial clients across multiple states, ensuring timely pickup and delivery through trusted carrier partnerships.
- Managed shipment scheduling, route optimization, and real-time communication to maintain high levels of customer satisfaction and operational efficiency.
- Provided reliable logistics support for small and mid-sized businesses, reducing transit delays and improving supply chain flow.
- Maintained consistent performance standards through proactive problem resolution and strong carrier oversight.
- Demonstrated dependable service delivery with a focus on safety, compliance, and cost-effective transportation solutions.
