

Teaching Hands Class Plan for maintaining the Health and Safety of All

A Summary of Precautions being taken to prevent the spread of COVID-19 and any other infectious diseases

- 1. Instructor will have temperature taken prior to each class. Hand sanitizing or hand washing will take place before class. Face covering will be utilized at all times indoors, other than eating/drinking.**
- 2. Student's temperature will be taken with a no touch thermometer and any temperature over 100.4 will require that student will not be allowed to attend the class that day. Communication will continue with guardian; student will not return to class until 24 hours fever free.**
- 3. Class size will be limited to 4 Students.**
- 4. Previously laid markers will indicate a social distance of 6' between students.**
- 5. Students will utilize face coverings at all times indoors, other than eating/drinking.**
- 6. Teaching Hands will sanitize any and all equipment used by more than one student i.e. sporting equipment and online learning devices before and after uses.**
- 7. Classroom will be sanitized before indoor class time begins. Hands will be sanitized before and after indoor class time occurs.**
- 8. Indoor class time will not exceed 60 minutes.**
