#### PRODUCTS

##### Belize Table Lamp

0-8500-0781

Our Belize table lamp is a taste of the tropics. Its mercury glass base is etched with frosty blue coral shapes while the pale gray shade is lined in silver foil. Control the 100-watt max bulb to illuminate your space.

#### Aegean Collection

Introduce elegant and aquatic-inspired décor into your home with our Aegean vases. Crafted from ceramic and painted in a reactive blue coating, the distinct coloring of these pieces is due to a unique oxidation process, making them especially memorable. The 12-inch and 17-inch pieces feature a traditional, bottleneck shape with sea-inspired details, while the 25-inch version playfully mimics the shape of a fish. Select your size before adding to cart.
