

Natural Pines Resort

2020 SEASON PASS RULES & REGULATIONS

Season Passes include Camper Slot Storage, full service (water, electric, and sewer) from 10am Friday morning until 2pm Sunday afternoon (Monday on holidays) beginning the first weekend of May through the first weekend of October. _____

Camper/RV must have current license plate to be on the premises. _____

Camper/RV must be parked on Row 4 (unless already full) _____

Campers/RV's need to be maintained and in good condition.
There are to be no items stored under or around the outside of the unit. The area is to be kept clean and neat at all times.
All hoses and cords must be unhooked and stowed out of sight. _____

You must unplug your camper prior to leaving. Any campers left plugged in will be unplugged by Natural Pines Staff. Natural Pines is not responsible for any loss or damage that may occur as a result. _____

Any additional days may be purchased for half price gate fee (\$25/day) and includes any hook-up fees. (These may not be traded for weekends you are not able to be here). _____

Events held by different businesses or hosts may be on additional days and there may be an additional fee charged to attend. _____

Any camper left after the due date for camper removal in Oct without storage payment will begin to accrue weekly storage fees. _____

No camper shall leave the premises until all outstanding fees are paid-in-full. _____

There will be no Sub-leasing of Campers on Natural Pines Property.

I have read, understand and agree to the Season Pass Rules and Regulations.
